Dear Roger:

I've probably forgotten so would you please set me straight -
I think you said Harvard was not accepting any orders from
us unless they could transcribe the copy.

Please let me know because we're trying to close out
"The Groupies," account 1069-24-01 which we placed with
them and we have no affidavit from them or bill from you.

Hope you enjoyed the holiday break.

Cordially,

Jeffrey S. Fannon
